

PCE DMV Day Trippers Summer Program

Partners for Community Engagement (PCE) will be hosting two, weeklong summer programs for transition-aged youth and young adults with low-intensity support needs disabilities. The “Day Trippers” Summer Program provides participants the opportunity to explore the DMV region and surrounding area. Each day we will visit historically and culturally rich locations and landmarks while engaging in community building and social skills development facilitated by experienced and skilled staff. Individuals may participate in one week, the other or both. For more detailed information please see below for our program itinerary. To express interest in signing up, visit the link or scan the QR code found at the bottom of this flier. Individuals interested in joining are encouraged to submit their form early as space is limited. We hope you will become a Day Tripper and come along on the adventure!
